

ENVIRONMENTAL POLICY STATEMENT

We are committed to providing a quality service in a manner that ensures a safe and healthy workplace for our employees and minimises our potential impact on the environment. We will operate in compliance with all relevant environmental legislation and we will strive to use pollution prevention and environmental best practices in all we do.

Our policy is to:

- Wholly support and comply with or exceed the requirements of current environmental legislation and codes of practice.
- Minimise our waste and then reuse or recycle as much of it as possible.
- Minimise energy and water usage in our buildings, vehicles and processes in order to conserve supplies and minimise our consumption of natural resources, especially where they are non-renewable
- Operate and maintain company vehicles with due regard to environmental issues as far as reasonably practical and encourage the use of alternative means of transport as appropriate.
- Apply the principles of continuous improvement in respect of air, water, noise and light pollution from our premises and reduce any impacts from our operation on the environment and local community.
- As far as possible purchase products and services which do the least damage to the environment.
- Assess the environmental impact of any new processes or products we intend to introduce.
- Ensure that all employees understand our environmental policy and conform to the high standards required.
- Address complaints about any breach of our Environment Policy promptly and to the satisfaction of all concerned.
- Update the Environmental Policy regularly in consultation with staff, associates and customers.
